

Village Osteopath HCG Diet Plans & Pricing

Medically Supervised Plan	Medically Managed Plan
<ul style="list-style-type: none"> • 30 Day Supply (1 Round) of Pharmaceutical Grade Sublingual HCG Drops • Four Lipotropic Injections • Urine Pregnancy Test - Women • HCG Patient Education Pamphlet • Initial Consult (with Medical Assistant) 	<ul style="list-style-type: none"> • Everything Included in Medically Supervised Plan • Office Visits and Lab Work* <ul style="list-style-type: none"> → One office visit is scheduled prior to starting the diet. Subsequent visits can be scheduled as needed, or at the end of either the On Phase or Maintenance Phase
60 day round = <u>\$330</u>	60 day round = <u>\$330 + visit charges*</u> <i>*if not covered by insurance</i>

We recommend the Medically Managed Plan for patients with any of the following:

- Chronic disease requiring daily medication, such as diabetes or hypertension
- Known or suspected hormone imbalance
- Thyroid issues
- Desire to use (or considering use of) prescription appetite suppressants (i.e., Adipex) in conjunction with the diet.

Village Osteopath recommends consulting a physician prior to beginning any new diet plan.
